

A Big thank you to our membership that took the time to answer the survey we sent to you. As always, the OCMC board takes your feedback seriously and works to implement as many improvements as possible. That being said, we feel we have some exciting news and events to share. The following will be implemented once we reopen in March or shortly thereafter.

Happy Hour will be coming soon! Thursday through Sunday from 3-6pm we will have drink and food specials. Details will be provided shortly.

Music! We have received requests for more live music. One Friday per month we will feature live music to kick off your weekend. Details will be finalized and sent out shortly as well.

With respect to our kitchen and food service, we have taken your survey responses very seriously. Food quality, consistency, variety, and overall experience is what we strive for, and we agree, we don't always hit the mark. That being said, we are very excited to announce that we have hired an executive chef to lead us back to the elevated dining experience we once had. Welcome back to the Ocean City Marlin Club Executive Chef, Mikey J!! Mikey will be working with our current staff to provide quality signature dishes that we know he is very capable of. I hope you are as excited as we are.

A Personal Note from the Board of Directors.

Our goal is to create an exceptional experience for every member, and the additions we've made are all designed with that in mind. But The Marlin Club needs you. Your feedback, your patience, and—most importantly—your presence are what bring this place to life.

We need stronger event turnout. We need a lively bar and dining room. We need timely RSVPs for our special events so we can plan and deliver the best possible experiences. Without you, the building is just an empty shell.

We have a wonderful membership, and we truly look forward to seeing you here more often. Your participation is what makes this club special.

See you soon,

President Ryan Freese &

OCMC Board of Directors
