

THE MARLIN BILL

A MESSAGE FROM THE PRESIDENT

Hello everyone! Spring is here as well as our fishing season. The seabass season has opened with a bang, the first tunas and thresher sharks have been caught. The marinas are filling up quickly and boats are returning from their winter destinations. Welcome back!

The club is certainly busy with so many things going on! We had a very successful Season Open Party. A big thank you to Pam and Mark Hess for their hard work and preparing the pig roast. It was great to see some familiar faces.

And despite the wind and rain, we were able to successfully pull off this year's Fisherman's Flea Market. All the tables were sold out and we had a great turn out. Thank you to Mark and Tammy Radcliffe for organizing it as they have in years past and supporting this fun event. Proceeds from the event have been donated to the Scholarship Fund.

The first tournament to kick off the 2022 season is here. Please come out and help make the Franky Pettolina Memorial Day Tournament (May 28 - 29) an enormous success! We look forward to seeing you all there!

As always, the Marlin Club board of directors and club staff, work extremely hard to give the members the most enjoyable experience as possible. That being said, the board has decided to add an Executive Chef to our staff.

Our new chef, Joe Garner, was professionally trained at the Culinary Institute of America and has been a chef at many great restaurants like Salt Air, Liquid Assets and 14 Global. Joe's role will include preparation of the summer Marlin Club menu, managing the kitchen staff, as well as working on the line as head chef. Joe will report directly to our GM Charley Getz. Over the next few weeks, Joe will work alongside of our current staff and slowly implement his influence on the menu. Chef Joe is extremely excited to bring his passion for cooking to our Marlin club membership.

Jody Farley, our Office manager has decided to take on a new opportunity outside of the Marlin Club. I personally want to thank Jody for all she has done for the club and wish her luck with her new position. With Jody's departure we have hire Renee Lessman as our new Office Manager. Renee has a lot of great experience and has already hit the ground running. Renee will report the GM as well supporting everyday operations, coordinating events and support in the summer tournaments. She will be at the scales, sign ups, and award banquets throughout the summer as well as running the club office Monday – Friday from 9-5pm. If you attended the season opener, you might have met Renee. If not, please feel free to introduce yourself and make her feel welcome to the Marlin Club Family.

News from the board. Effective June 2nd, Mike Difendal will be stepping down after many years of being the club Treasurer. Mike has his personal reasons for doing so and we respect him for that. We greatly appreciate everything he has done for the Marlin Club. Thank you, Mike! Brian Tinkler will be stepping into Treasurer role for the remainder of this year. Brian has been in this role before, and we have no doubt that he will lead us well. That has opened up a board seat so I would like to welcome Frank Goodhart back. Thank you, Frank, for accepting!

It's a busy time of year, but again, I would like to thank all the membership for their support, understanding and patronage. We look forward to seeing you at the club!
